

The college counseling team at Jamhour invites you to register with us now.

Starting in April, we will help you plan and prepare for the significant challenge of applying to universities abroad. Download the **Jamhour College Application Handbook 2018-2019** [1] to learn the basics, and plan to attend our "Getting Started" workshop. We will follow up in May with an evening meeting for students *and parents* to discuss the logistics and timetable you'll need to follow, leaving plenty of time to answer all your questions at the end. **(Note that we strongly encourage parents to attend—this is a major decision which affects the entire family and your involvement is critical!)**

Stay tuned—we'll finalize dates and inform you ASAP. Make sure you have registered with us!

(*Families of 2<sup>nde</sup> students are welcome to attend.*)

Happy Easter, everyone. We look forward to meeting with you very soon! A reminder to download the College Application Handbook for more information. (see the link below)
