

Join us in the Salle d'Academie on **May 9th at 6 pm** as we present ***Understanding the Application Process*** a workshop for students and parents who plan to apply to US and UK universities.

We'll discuss the logistics and timetable you'll need to follow, leaving plenty of time to answer all of your questions at the end. You'll hear about creating a college list, standardized testing, navigating the Common App, starting essays, letters of recommendation and financial aid, among other topics. A panel of current Terminale who just completed their process will be on hand to offer advice and suggestions as well.

Download the **Jamhour College Application Handbook 2018-2019** [1] to learn the basics, and come ready to ask questions.

We strongly encourage parents to attend—this is a major decision which affects the entire family and your involvement is critical!
