

What is the Coalition?

The Coalition are more than 150 top colleges and universities in USA committed to improving access to higher education.

Each of their member schools works to make college affordable and ensure students graduate on time. Most graduate students with no or nor low debt.

The Coalition for College hosts virtual college fairs designed to help students build smart college lists. All schools participating are members of the Coalition, meaning they have a proven commitment to access, affordability and student success.

The Coalition will host a virtual college fair Oct. 5 & 6, 2021. The fair is free, and students and student supporters are welcome to register for as many sessions as they like.
