

You are invited to join the Canadian Universities Virtual Fair - Fall 2021!

Featuring 12 leading universities from across Canada, with over 1000 program offerings to choose from, this fair provides students the opportunity to interact with university representatives and learn more about programs, admissions, scholarships, experiential learning, as well as unique features offered by our institutions.

Visit <https://www.concordia.ca/.../recru.../can-virtual-fairs.html> [1] to learn about the participating universities, review our programs, take a virtual tour, and connect with the representatives

The Virtual Fair is being offered on three different dates to allow students to register for whichever one best suits their schedule:

- Monday, October 18 - 10:00 PM (Beirut time)
- Wednesday, October 20 - 9:00 PM (Beirut time)
- Wednesday, October 27 - 8:00 PM (Beirut time)

All three sessions are exactly the same so there's no need to attend all three.

After our opening presentation with all the need-to-know details on studying in Canada, students will have the opportunity to chat personally with university representatives at their "booth", similar to an in-person fair.
